2017 was a year to remember as we were graced with many wonderful guests, tremendous gifts, and exciting events. We are so thankful for the extraordinary outpouring of support we've received as our mission is spread. Savings Bank came and completed a long list of household tasks on the "wish list." Simply Sweet Pastry Studio put on the 2nd annual holiday tea. TD Bank Northern Maine Managers came to prepare 39 freezer meals and decorate the Christmas tree which was completed by the beautiful handmade decorations from extraordinary youth from the Old Town Elementary School. Leadbetter's put on a raffle and donated an iPad. These are just a few examples of the benevolence we've been fortunate enough to be the beneficiary of.

25 Days of Kindness

Twas the season of giving and to spread good tidings the Holden Police Department commenced 25 days of kindness. Sarah's House guests benefited by being treated to a pizza night from the department's donated 'coffee money.' Later, post snow storm, guests woke up to their cars cleared of snow! To say thanks, guest delivered freshly baked muffins to the station.

Thank you, Holden Police for all you do!

Kindergarten Construction

Kindergarten students from the Dedham elementary school dug in and got their hands dirty, planting dahlias right outside of our picture window for all of the guests to see. They also worked with Granville Stone who donated a beautiful granite bird bath to accompany the new dahlias.

Thank you!
